"New Faculty Workshop" A three day, academic "boot-camp"
"Basics of Mobile Teaching and Learning: Tablet PC Intro"
"Advanced Mobile Teaching and Learning"
"Building Assessments in Blackboard"
"Making the Most of Student Ratings of Instruction"
"Practice and Pedagogy of Online Synchronous Tools: Adobe Connect Pro"

Invited Half-Day Workshop: Bringing Online Education to the Technical Classroom, "Everything Old is New Again," Wichita Area Technical Colleges, Wichita, KS. (July 27, 2011).

CONSULTIING

Conducted numerous invited workshops and presentations specific to the IDEA system as well as on topics related to pedagogy and the linkages between teaching and learning. Client campus presentations include the gamut of higher education institutions from private, to public, to for-profit, to community colleges and to flagship research institutions. I've worked with faculty and administrators at all levels of our client institutions. Organizational policy refrains publishing the exact list but is available upon request.
