

# CALL FOR APPLICATIONS

## 2018 POD DIVERSITY COMMITTEE

### DONALD H. WULFF

## DIVERSITY TRAVEL FELLOWSHIPS

### WHAT IS IT?

The Donald H. Wulff Diversity Travel Fellowships Program seeks to increase participation of people from historically underrepresented racial and ethnic groups and individuals from underrepresented institutions in the field of educational development (here used as an umbrella term to encompass what may also be called faculty development, TA development, instructional development, organizational development, etc.). Named to honor the memory of an early supporter of the Diversity Committee, Donald H. Wulff, the travel grant program awards up to \$1,300 to individuals (and up to \$2,600 for teams of two or more) to support their travel to the annual POD Conference.

### WHY ATTEND THE POD CONFERENCE?

The POD Network Conference is an opportunity for educators, administrators, consultants, and innovators to come together to participate in interactive sessions and networking events focused on current issues in higher education. The conference also features programs specific to diversity, inclusion, and new attendees. See <https://podnetwork.org/event/2018-pod-network-annual-conference/> for more information.

### WHAT ARE THE APPLICATION CRITERIA?

Each application will be evaluated by members of the Diversity Committee based on four criteria: 1) explanation of interest and experience in educational development, 2) explanation of how the applicant would benefit from attending the conference and/or how they hope or intend to share these benefits with others at their institution, 3) explanation of how POD might benefit from applicant attendance and membership and how they hope to contribute to the Diversity Committee and POD organization as a whole, and 4) clear explanation of their financial need and/or institutional support, if any.
